Subpart A—General Provisions

§ 1805.100 Purpose.

The purpose of the Community Development Financial Institutions Program is to promote economic revitalization and community development through investment in and assistance to Community Development Financial Institutions.

§ 1805.101 Summary.

Under the Community Development Financial Institutions Program, the Fund will provide financial and technical assistance to Applicants selected by the Fund in order to enhance their ability to make loans and investments and provide services. An Awardee must serve an Investment Area(s), Targeted Population(s), or both. The Fund will select Awardees to receive financial and technical assistance through a merit-based qualitative application process. Each Awardee will enter into an Assistance Agreement which will require it to achieve performance goals negotiated between the Fund and the Awardee and abide by other terms and conditions pertinent to any assistance received under this part.

§ 1805.102 Relationship to other Fund programs.

(a) *Bank Enterprise Award Program.* (1) No Community Development Financial Institution may receive a Bank Enterprise Award under the Bank Enterprise Award (BEA) Program (part 1806 of this chapter) if it has:

date the Fund selected the CDFI to receive a Bank Enterprise Award (meaning, the date of the Fund's BEA Program notice of award); or

Receipt of such equity investment, loan, or deposit does not disqualify a Community Development Financial Institution from receiving assistance under this part.

(b) *Liquidity enhancement program.* No entity that receives assistance through the liquidity enhancement program authorized under section 113 (12 U.S.C. 4712) of the Act may receive assistance under the Community Development Financial Institutions Program.

(4) The Fund shall require an entity to meet any additional eligibility requirements that the Fund deems appropriate.

(d) *Deposits and credit union shares.* The Fund may make deposits (which shall include credit union shares) in Insured CDFIs and State-Insured Credit Unions. Deposits in an Insured CDFI or a State-Insured Credit Union shall not be subject to any requirement for collateral or security.

§ 1805.402 Assistance limits.

(a) Except as provided in paragraph (b) of this section, the Fund may not provide, pursuant to this part, more than \$5 million, in the aggregate, in financial and technical assistance to an Awardee and its Affiliates during any three-year period.

(b) If an Awardee proposes to establish a new Affiliate to serve an Investment Area(s) or Targeted Population(s) outside of any State, and outside of any Metropolitan Area, currently served by the Awardee or its Affiliates, the Awardee may receive additional assistance pursuant to this part up to a maximum of \$3.75 million during the same three-year period. Such additional assistance:

(1) Shall be used only to finance activities in the new or expanded Investment Area(s) or Targeted Population(s); and

(2) Must be distributed to a new Affiliate that meets the eligibility requirements described in § 1805.200 and is selected for assistance pursuant to subpart G of this part.

(c) An Awardee may receive the assistance described in paragraph (b) of this section only if no other application to serve substantially the same Investment Area(s) or Targeted Population(s) that meets the requirements of § 1805.701(a) was submitted to the Fund prior to the receipt of the application of said Awardee and within the current funding round.

§ 1805.403 Authority to sell.

The Fund may, at any time, sell its equity investments and loans, provided the Fund shall retain the authority to enforce the provisions of the Assistance Agreement until the performance goals specified therein have been met.

Subpart E—Matching Funds Requirements

§ 1805.500 Matching funds—general.

All financial assistance awarded under this part shall be matched with funds from sources other than the Federal government. Except as provided in § 1805.502, such matching funds shall be provided on the basis of not less than one dollar for each dollar provided by the Fund. Funds that have been used to satisfy a legal requirement for obtaining funds under either the CDFI Program or another Federal grant or award program may not be used to satisfy the matching requirements described in this section. Community Development Block Grant Program and other funds provided pursuant to the

§ 1805.501

Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 *et seq.*), shall be considered Federal government funds and shall not be used to meet the matching requirements. Matching funds shall be used as provided in the Assistance Agreement. Funds that are used prior to the execution of the Assistance Agreement may nevertheless qualify as matching funds provided the Fund determines in its reasonable discretion that such use promoted the purpose of the Comprehensive Business Plan that the Fund is supporting through its assistance.

§ 1805.501 Comparability of form and value.

(a) Matching funds shall be at least comparable in form (*e.g.*, equity investments, deposits, credit union shares, loans and grants) and value to financial assistance provided by the Fund (except as provided in §1805.502). The Fund shall have the discretion to determine whether matching funds pledged are comparable in form and value to the financial assistance requested.

(b) In the case of an Awardee that raises matching funds from more than one source, through different investment instruments, or under varying terms and conditions, the Fund may provide financial assistance in a manner that represents the combined characteristics of such instruments.

(c) An Awardee may meet all or part of its matching requirements by committing available earnings retained from its operations.

§ 1805.502 Severe constraints waiver.

(a) In the case of an Applicant with severe constraints on available sources of matching funds, the Fund, in its sole discretion, may permit such Applicant to comply with the matching requirements by:

(1) Reducing such requirements by up to 50 percent; or

(2) Permitting an Applicant to provide matching funds in a form to be determined at the discretion of the Fund, if such an Applicant:

(i) Has total assets of less than \$100,000;

(ii) Serves an area that is not a Metropolitan Area; and

(iii) Is not requesting more than \$25,000 in assistance.

(b) Not more than 25 percent of the total funds available for obligation under this part in any fiscal year may be matched as described in paragraph (a) of this section. Additionally, not more than 25 percent of the total funds disbursed under this part in any fiscal year may be matched as described in paragraph (a) of this section.

(c) An Applicant may request a “severe constraints waiver” as part of its application for assistance. An Applicant shall provide a narrative justification for its request, indicating:

(1) The cause and extent of the constraints on raising matching funds;

(2) Efforts to date, results, and projections for raising matching funds;

(3) A description of the matching funds expected to be raised; and

(4) Any additional information requested by the Fund.

(d) The Fund will grant a “severe constraints waiver” only in exceptional circumstances when it has been demonstrated, to the satisfaction of the Fund, that an Investment Area(s) or Targeted Population(s) would not be adequately served without the waiver.

§ 1805.503 Time frame for raising match.

Applicants shall satisfy matching funds requirements within the period set forth in the applicable Notice of Funds Availability.

§ 1805.504 Retained earnings.

(a) An Applicant may use its retained earnings to match a request for a financial assistance grant from the Fund. An Applicant that proposes to meet all or a portion of its matching funds requirements by committing available earnings retained from its operations shall be subject to the restrictions described in this section. Retained earnings shall be calculated as directed by the Fund in the applicable Notice of Funds Availability, the financial assistance application and/or related guidance materials. Retained earnings accumulated after the end of the Applicant’s most recent fiscal year

Community Development Financial Institutions Fund

§ 1805.700

ending prior to the appropriate application deadline may not be used as matching funds.

(b) In the case of an Applicant that is not an Insured Credit Union or a State-Insured Credit Union, retained earnings that may be used for matching funds purposes shall consist of:

(1) The increase in retained earnings (meaning, for purposes of §1805.504(b), operating income minus operating expenses less any dividend payments) that has occurred over the Applicant's most recent fiscal year (*e.g.*, retained earnings at the end of fiscal year 2003 less retained earnings at the end of fiscal year 2002); or

(2) The annual average of such increases that has occurred over the Applicant's three most recent fiscal years.

(c)(1) In the case of an Applicant that is an Insured Credit Union or a State-Insured Credit Union, retained earnings that may be used for matching funds purposes shall consist of:

(i) The increase in retained earnings that has occurred over the Applicant's most recent fiscal year;

(ii) The annual average of such increases that has occurred over the Applicant's three most recent fiscal years; or

(iii) The entire retained earnings that have been accumulated since the inception of the Applicant, provided that the Assistance Agreement shall require that:

(A) The Awardee shall increase its member shares, non-member shares, outstanding loans and/or other measurable activity as defined in and by an amount that is set forth in an applicable Notice of Funds Availability; and

(B) Such increase must be achieved by a date certain set forth in the applicable Notice of Funds Availability;

(C) The Applicant's Comprehensive Business Plan shall discuss its strategy for achieving the increases described in (c)(1)(iii)(A) of this section and the activities associated therewith;

(D) The level from which the achievement of said increases will be measured will be as of July 31 of the calendar year in which the applicable application deadline falls (or such other date as set forth in the applicable Notice of Funds Availability); and

(E) Financial assistance shall be disbursed by the Fund only as the amount of increases described in paragraph (c)(1)(iii)(A) of this section is achieved.

(2) The Fund will allow an Applicant to utilize the option described in paragraph (c)(1)(iii) of this section for matching funds only if it determines, in its sole discretion, that the Applicant will have a high probability of success in achieving said increases to the specified amounts.

Subpart F—Applications for Assistance

§ 1805.600 Notice of Funds Availability.

Each Applicant shall submit an application for financial or technical assistance under this part in accordance with the applicable Notice of Funds Availability published in the FEDERAL REGISTER. The Notice of Funds Availability will advise potential Applicants on how to obtain an application packet and will establish deadlines and other requirements. The Notice of Funds Availability may specify any limitations, special rules, procedures, and restrictions for a particular funding round. After receipt of an application, the Fund may request clarifying or technical information on the materials submitted as part of such application.

Subpart G—Evaluation and Selection of Applications

§ 1805.700 Evaluation and selection—general.

Applicants will be evaluated and selected, at the sole discretion of the Fund, to receive assistance based on a review process, that could include an interview(s) and/or site visit(s), that is intended to:

(a) Ensure that Applicants are evaluated on a merit basis and in a fair and consistent manner;

(b) Take into consideration the unique characteristics of Applicants that vary by institution type, total asset size, stage of organizational development, markets served, products and services provided, and location;

(c) Ensure that each Awardee can successfully meet the goals of its Comprehensive Business Plan and achieve community development impact;

(d) Ensure that Awardees represent a geographically diverse group of Applicants serving Metropolitan Areas, non-Metropolitan Areas, and Indian Reservations from different regions of the United States; and

(e) Take into consideration other factors as described in the applicable Notice of Funds Availability.

§ 1805.701 Evaluation of applications.

(a) *Eligibility and completeness.* An Applicant will not be eligible to receive assistance pursuant to this part if it fails to meet the eligibility requirements described in § 1805.200 or if it has not submitted complete application materials. For the purposes of this paragraph (a), the Fund reserves the right to request additional information from the Applicant, if the Fund deems it appropriate.

(b) *Substantive review.* In evaluating and selecting applications to receive assistance, the Fund will evaluate the Applicant's likelihood of success in meeting the goals of the Comprehensive Business Plan and achieving community development impact, by considering factors such as:

(1) Community development track record (e.g., in the case of an Applicant with a prior history of serving a Target Market, the extent of success in serving such Target Market);

(2) Operational capacity and risk mitigation strategies;

(3) Financial track record and strength;

(4) Capacity, skills and experience of the management team;

(5) Understanding of its market context, including its analysis of current and prospective customers, the extent of economic distress within the designated Investment Area(s) or the extent of need within the designated Targeted Population(s), as those factors are measured by objective criteria, the extent of need for Equity Investments, loans, Development Services, and Financial Services within the designated Target Market, and the extent of demand within the Target Market for the Applicant's products and services;

(6) Program design and implementation plan, including an assessment of its products and services, marketing and outreach efforts, delivery strategy, and coordination with other institutions and/or a Community Partner, or participation in a secondary market for purposes of increasing the Applicant's resources. In the case of an Applicant submitting an application with a Community Partner, the Fund will evaluate the extent to which the Community Partner will participate in carrying out the activities of the Community Partnership; the extent to which the Community Partner will enhance the likelihood of success of the Comprehensive Business Plan; and the extent to which service to the designated Target Market will be better performed by a Community Partnership than by the Applicant alone;

(7) Projections for financial performance, capitalization and raising needed external resources, including the amount of firm commitments and matching funds in hand to meet or exceed the matching funds requirements and, if applicable, the likely success of the plan for raising the balance of the matching funds in a timely manner, the extent to which the matching funds are, or will be, derived from private sources, and whether an Applicant is, or will become, an Insured CDFI or a State-Insured Credit Union;

(8) Projections for community development impact, including the extent to which an Applicant will concentrate its activities on serving its Target Market(s), the extent of support from the designated Target Market, the extent to which an Applicant is, or will be, Community-Owned or Community-Governed, and the extent to which the activities proposed in the Comprehensive Business Plan will expand economic opportunities or promote community development within the designated Target Market;

(9) The extent of need for the Fund's assistance, as demonstrated by the extent of economic distress in the Applicant's Target Market and the extent to which the Applicant needs the Fund's assistance to carry out its Comprehensive Business Plan;

(10) In the case of an Applicant that has previously received assistance

Community Development Financial Institutions Fund

§ 1805.801

under the CDFI Program, the Fund also will consider the Applicant's level of success in meeting its performance goals, financial soundness covenants (if applicable), and other requirements contained in the previously negotiated and executed Assistance Agreement(s) with the Fund, the undisbursed balance of assistance, and whether the Applicant will, with additional assistance from the Fund, expand its operations into a new Target Market, offer more products or services, and/or increase the volume of its activities; and

(11) The Fund may consider any other factors, as it deems appropriate, in reviewing an application as set forth in an applicable Notice of Funds Availability.

(c) *Consultation with Appropriate Federal Banking Agencies.* The Fund will consult with, and consider the views of, the Appropriate Federal Banking Agency prior to providing assistance to:

(1) An Insured CDFI;

(2) A CDFI that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency; or

(3) A CDFI that has as its Community Partner an institution that is examined by, or subject to, the reporting requirements of an Appropriate Federal Banking Agency.

(d) *Consultation with Appropriate State Agencies.* Prior to providing assistance to a State-Insured Credit Union, the Fund may consult with, and consider the views of, the Appropriate State Agency.

(e) *Awardee selection.* The Fund will select Awardees based on the criteria described in paragraph (b) of this section and any other criteria set forth in this part or the applicable Notice of Funds Availability.

Subpart H—Terms and Conditions of Assistance

§ 1805.800 Safety and soundness.

(a) *Regulated institutions.* Nothing in this part, or in an Assistance Agreement, shall affect any authority of an Appropriate Federal Banking Agency or Appropriate State Agency to supervise and regulate any institution or company.

(b) *Non-Regulated CDFIs.* The Fund will, to the maximum extent practicable, ensure that Awardees that are Non-Regulated CDFIs are financially and managerially sound and maintain appropriate internal controls.

§ 1805.801 Notice of Award.

(a) The Fund will generally signify its selection of an Applicant as an Awardee by delivering a signed notice of award to the Applicant. The notice of award will contain the general terms and conditions underlying the Fund's provision of assistance to an Awardee including, but not limited to, the requirement that an Awardee and the Fund enter into an Assistance Agreement.

(b) To become an Awardee under paragraph (a) of this section, an Applicant shall execute the notice of award and return it to the Fund.

(c) By executing a notice of award, an Awardee agrees that, if prior to entering into an Assistance Agreement with the Fund, information comes to the attention of the Fund that either adversely affects the Awardee's eligibility for funding, or adversely affects the Fund's evaluation of the Awardee's application, or indicates fraud or mismanagement on the part of the Awardee, the Fund may, in its discretion and without advance notice to the Awardee, terminate the notice of award or take such other actions as it deems appropriate. Moreover, by executing a notice of award, an Awardee also agrees that, if prior to entering into an Assistance Agreement with the Fund, the Fund determines that the Awardee is not in compliance with the terms of any previous Assistance Agreement entered into with the Fund, the Fund may, in its discretion and without advance notice to the Awardee, either terminate the notice of award or take such other actions as it deems appropriate. An Awardee shall notify the Fund of information that an Awardee may reasonably believe may affect its eligibility or ability to achieve the objectives of its Comprehensive Business Plan as submitted to the Fund (such as changes in management).

(d) The Fund will notify an Awardee of either the Fund's termination of a notice of award or such other action(s)

§ 1805.802

12 CFR Ch. XVIII (1–1–09 Edition)

taken by the Fund under paragraph (c) of this section.

§ 1805.802 Assistance Agreement; sanctions.

(a) Prior to providing any assistance, the Fund and an Awardee shall execute an Assistance Agreement that requires an Awardee to comply with performance goals and abide by other terms and conditions of assistance. Such performance goals may be modified at any time by mutual consent of the Fund and an Awardee or as provided in paragraph (c) of this section. If a Community Partner or an Affiliate is part of an application that is selected for assistance, such partner must be a party to the Assistance Agreement, if deemed appropriate by the Fund.

(b) An Awardee shall comply with performance goals that have been negotiated with the Fund and which are based upon the Comprehensive Business Plan submitted as part of the Awardee's application. Such performance goals may include measures that require an Awardee to:

- (1) Be financially sound;
- (2) Be managerially sound;
- (3) Maintain appropriate internal controls; and/or

(4) Achieve specific lending, investment, and development service objectives. Performance goals for Insured CDFIs shall be determined in consultation with the Appropriate Federal Banking Agency, as applicable. Such goals shall be incorporated in, and enforced under, the Awardee's Assistance Agreement. Performance goals for State-Insured Credit Unions may be determined in consultation with the Appropriate State Agency, if deemed appropriate by the Fund.

(c) The Assistance Agreement shall provide that, in the event of fraud, mismanagement, noncompliance with the Act and the Fund's regulations, or noncompliance with the terms and conditions of the Assistance Agreement on the part of the Awardee (or the Community Partner, if applicable), the Fund, in its discretion, may:

- (1) Require changes in the performance goals set forth in the Assistance Agreement;
- (2) Require changes in the Awardee's Comprehensive Business Plan;

(3) Revoke approval of the Awardee's application;

(4) Reduce or terminate the Awardee's assistance;

(5) Require repayment of any assistance that has been distributed to the Awardee;

(6) Bar the Awardee (and the Community Partner, if applicable) from reapplying for any assistance from the Fund; or

(7) Take such other actions as the Fund deems appropriate.

(d) In the case of an Insured CDFI, the Assistance Agreement shall provide that the provisions of the Act, this part, and the Assistance Agreement shall be enforceable under 12 U.S.C. 1818 of the Federal Deposit Insurance Act by the Appropriate Federal Banking Agency, as applicable, and that any violation of such provisions shall be treated as a violation of the Federal Deposit Insurance Act. Nothing in this paragraph (d) precludes the Fund from directly enforcing the Assistance Agreement as provided for under the terms of the Act.

(e) The Fund shall notify the Appropriate Federal Banking Agency before imposing any sanctions on an Insured CDFI or other institution that is examined by or subject to the reporting requirements of that agency. The Fund shall not impose a sanction described in paragraph (c) of this section if the Appropriate Federal Banking Agency, in writing, not later than 30 calendar days after receiving notice from the Fund:

- (1) Objects to the proposed sanction;
- (2) Determines that the sanction would:

(i) Have a material adverse effect on the safety and soundness of the institution; or

(ii) Impede or interfere with an enforcement action against that institution by that agency;

(3) Proposes a comparable alternative action; and

(4) Specifically explains:

(i) The basis for the determination under paragraph (e)(2) of this section and, if appropriate, provides documentation to support the determination; and

(ii) How the alternative action suggested pursuant to paragraph (e)(3) of

this section would be as effective as the sanction proposed by the Fund in securing compliance and deterring future noncompliance.

(f) In reviewing the performance of an Awardee in which its Investment Area(s) includes an Indian Reservation or Targeted Population(s) includes an Indian Tribe, the Fund shall consult with, and seek input from, the appropriate tribal government.

(g) Prior to imposing any sanctions pursuant to this section or an Assistance Agreement, the Fund shall, to the maximum extent practicable, provide the Awardee (or the Community Partner, if applicable) with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, shall provide an Awardee or Community Partner with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

§ 1805.803 Disbursement of funds.

Assistance provided pursuant to this part may be provided in a lump sum or over a period of time, as determined appropriate by the Fund. The Fund shall not provide any assistance (other than technical assistance) under this part until an Awardee has satisfied any conditions set forth in its Assistance Agreement and has secured in-hand and/or firm commitments for the matching funds required for such assistance pursuant to the applicable Notice of Funds Availability. At a minimum, a firm commitment must consist of a written agreement between an Awardee and the source of the matching funds that is conditioned only upon the availability of the Fund's assistance and such other conditions as the Fund, in its sole discretion, may deem appropriate. Such agreement must provide for disbursement of the matching funds to an Awardee prior to, or simultaneously with, receipt by an Awardee of the Federal funds.

§ 1805.804 Data collection and reporting.

(a) *Data—General.* An Awardee (and a Community Partner, if appropriate) shall maintain such records as may be prescribed by the Fund that are necessary to:

(1) Disclose the manner in which Fund assistance is used;

(2) Demonstrate compliance with the requirements of this part and an Assistance Agreement; and

(3) Evaluate the impact of the CDFI Program.

(b) *Customer profiles.* An Awardee (and a Community Partner, if appropriate) shall compile such data on the gender, race, ethnicity, national origin, or other information on individuals that utilize its products and services as the Fund shall prescribe in an Assistance Agreement. Such data will be used to determine whether residents of Investment Area(s) or members of Targeted Population(s) are adequately served and to evaluate the impact of the CDFI Program.

(c) *Access to records.* An Awardee (and a Community Partner, if appropriate) must submit such financial and activity reports, records, statements, and documents at such times, in such forms, and accompanied by such reporting data, as required by the Fund or the U.S. Department of Treasury to ensure compliance with the requirements of this part and to evaluate the impact of the CDFI Program. The United States Government, including the U.S. Department of Treasury, the Comptroller General, and their duly authorized representatives, shall have full and free access to the Awardee's offices and facilities and all books, documents, records, and financial statements relating to use of Federal funds and may copy such documents as they deem appropriate. The Fund, if it deems appropriate, may prescribe access to record requirements for entities that are borrowers of, or that receive investments from, an Awardee.

(d) *Retention of records.* An Awardee shall comply with all record retention requirements as set forth in OMB Circular A-110 (as applicable).

(e) *Data collection and reporting.* Each Awardee shall submit to the Fund, at least annually and within 180 days after the end of the Awardee's fiscal year, such information and documentation that will permit the Fund to review the Awardee's progress (and the progress of its Affiliates, Subsidiaries,

and/or Community Partners, if appropriate) in implementing its Comprehensive Business Plan and satisfying the terms and conditions of its Assistance Agreement. The information and documentation shall include, but not be limited to, an Annual Report, which shall comprise the following components:

(1) *Financial Report:*

(i) All non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) must submit to the Fund financial statements that have been reviewed by an independent certified public accountant in accordance with *Statements on Standards for Accounting and Review Services*, issued by the American Institute of Certified Public Accountants, no later than 180 days after the end of the Awardee's fiscal year (audited financial statements can be provided by the due date in lieu of reviewed statements, if available). Non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) that are required to have their financial statements audited pursuant to OMB Circular A-133 *Audits of States, Local Governments and Non-Profit Organizations*, must also submit their A-133 audited financial statements to the Fund no later than 270 days after the end of the Awardee's fiscal year. Non-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) that are not required to have financial statements audited pursuant to OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, must submit to the Fund a statement signed by the Awardee's Authorized Representative or certified public accountant, asserting that the Awardee is not required to have a single audit pursuant OMB Circular A-133.

(ii) For-profit organizations (excluding Insured CDFIs and State-Insured Credit Unions) must submit to the Fund financial statements audited in conformity with generally accepted auditing standards as promulgated by the American Institute of Certified Public Accountants, no later than 180 days after the end of the Awardee's fiscal year.

(iii) Insured CDFIs are not required to submit financial statements to the Fund. The Fund will obtain the nec-

essary information from publicly available sources. State-Insured Credit Unions must submit to the Fund copies of the financial statements that they submit to the Appropriate State Agency.

(iv) If multiple organizations sign the Assistance Agreement: The Awardee may submit combined financial statements and footnotes for the Awardee and other entities that signed the Assistance Agreement as long as the financial statements of each signatory are shown separately (for example, in combining financial statements).

(v) If the Assistance is in the form of a loan or a deposit: The Awardee must provide the Fund with financial statements annually throughout the term of the loan or deposit.

(vi) If the Assistance is in the form of an equity investment (common or preferred stock, secondary capital, certificate of deposit, partnership interest, or debentures): The Awardee must provide the Fund with financial statements annually for each year in which the Fund holds the equity investment.

(2) *Performance Goals Report/Annual Survey:* Performance Goals include performance goals and measures that are specific to the Awardee's application for funding.

(i) *Performance Goals Report:* The Awardee will submit to the Fund information through the Annual Survey that will inform the Fund of its compliance toward meeting the Performance Goals set forth in the Performance Goals Report.

(ii) *Annual Survey:* The Fund will use the Annual Survey to collect data by which to assess the Awardee's compliance toward meeting its Performance Goals and the impact of the CDFI Program and the CDFI industry. The Annual Survey is comprised of two components, the Institution-Level Report and the Transaction-Level Report.

(A) *Institution-Level Report.* The Institution-Level Report includes, but is not limited to, organizational, financial, portfolio and community development impact information and any other information that the Fund deems appropriate.

(B) *Transaction-Level Report.* The Transaction-Level Report includes, but

is not limited to, specific data elements on each of the Awardee's loans and investments including, but not limited to, borrower location, loan/investment type, loan/investment amount, and terms. The Awardee must submit the Transaction-Level Report to the Fund at least annually but no more frequently than quarterly. If the Fund requires the Awardee to submit the Transaction-Level Report on a semi-annual or quarterly basis, the Fund will notify the Awardee of the due date for the submission of said report at least 60 days prior to the due date. Only Awardees that receive financial assistance awards are required to submit Transaction-Level Reports.

(3) *Financial Status Report:* The Financial Status Report is applicable only to Awardees that receive technical assistance awards and must be signed by the Awardee's authorized representative, and submitted to the Fund with the Annual Report. This form is only applicable to the technical assistance portion of the award.

(4) *Uses of Financial Assistance and Matching Funds Report:* This report describes the Awardee's use of its financial assistance award and its matching funds during its preceding fiscal year.

(5) *Explanation of Noncompliance:* Any Awardee that fails to meet a performance goal in its Performance Goals Report must submit to the Fund a narrative explanation.

(6) Awardees are responsible for the timely and complete submission of the Annual Report, even if all or a portion of the documents actually are completed by another entity or signatory to the Assistance Agreement. If such other entities or signatories are required to provide Annual Surveys or Financial Reports, or other documentation that the Fund may require, the Awardee is responsible for ensuring that the information is submitted timely and complete. The Fund reserves the right to contact such additional signatories to the Assistance Agreement and require that additional information and documentation be provided.

(7) The Fund's review of the progress of an Insured CDFI, a Depository Institution Holding Company or a State-Insured Credit Union in implementing its

Comprehensive Business Plan and satisfying the terms and conditions of its Assistance Agreement may also include information from the Appropriate Federal Banking Agency or Appropriate State Agency, as the case may be.

(8) The Fund shall make reports described in this section available for public inspection after deleting any materials necessary to protect privacy or proprietary interests.

(f) *Exchange of information with Appropriate Federal Banking Agencies and Appropriate State Agencies.* (1) Except as provided in paragraph (f)(4) of this section, prior to directly requesting information from or imposing reporting or record keeping requirements on an Insured CDFI or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency, the Fund shall consult with the Appropriate Federal Banking Agency to determine if the information requested is available from or may be obtained by such agency in the form, format, and detail required by the Fund.

(2) If the information, reports, or records requested by the Fund pursuant to paragraph (f)(1) of this section are not provided by the Appropriate Federal Banking Agency within 15 calendar days after the date on which the material is requested, the Fund may request the information from or impose the record keeping or reporting requirements directly on such institutions with notice to the Appropriate Federal Banking Agency.

(3) The Fund shall use any information provided by an Appropriate Federal Banking Agency or Appropriate State Agency under this section to the extent practicable to eliminate duplicative requests for information and reports from, and record keeping by, an Insured CDFI, State-Insured Credit Union or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency or Appropriate State Agency.

(4) Notwithstanding paragraphs (f)(1) and (2) of this section, the Fund may require an Insured CDFI, State-Insured Credit Union, or other institution that

§ 1805.805

is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency or Appropriate State Agency to provide information with respect to the institution's implementation of its Comprehensive Business Plan or compliance with the terms of its Assistance Agreement, after providing notice to the Appropriate Federal Banking Agency or Appropriate State Agency, as the case may be.

(5) Nothing in this part shall be construed to permit the Fund to require an Insured CDFI, State-Insured Credit Union, or other institution that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency or Appropriate State Agency to obtain, maintain, or furnish an examination report of any Appropriate Federal Banking Agency or Appropriate State Agency, or records contained in or related to such report.

(6) The Fund and the Appropriate Federal Banking Agency shall promptly notify each other of material concerns about an Awardee that is an Insured CDFI or that is examined by or subject to the reporting requirements of an Appropriate Federal Banking Agency, and share appropriate information relating to such concerns.

(7) Neither the Fund nor the Appropriate Federal Banking Agency (or Appropriate State Agency, as the case may be) shall disclose confidential information obtained pursuant to this section from any party without the written consent of that party.

(8) The Fund, the Appropriate Federal Banking Agency (or Appropriate State Agency, as the case may be), and any other party providing information under this paragraph (f) shall not be deemed to have waived any privilege applicable to the any information or data, or any portion thereof, by providing such information or data to the other party or by permitting such data or information, or any copies or portions thereof, to be used by the other party.

(g) *Availability of referenced publications.* The publications referenced in this section are available as follows:

(a) *Provision of credit to Insiders.* (1) An Awardee that is a Non-Regulated CDFI may not use any monies provided to it by the Fund to make any credit (including loans and Equity Investments) available to an Insider unless it meets the following restrictions:

(i) The credit must be provided pursuant to standard underwriting procedures, terms and conditions;

Where a certificate of deposit matures and is then rolled over during the Baseline Period or the Assessment Period, as applicable, the Fund will assess the value of the full amount of the rolled over deposit. Where an existing loan is refinanced (a new loan is originated to pay off an existing loan, whether or not there is a change in the applicable loan terms), the Fund will only assess the value of any increase in the principal amount of the refinanced loan;

(2) Project Investments at the original amount of the purchase of stock, limited partnership interest, other ownership interest, or grant;

(3) Deposit Liabilities at the dollar amount deposited as measured by comparing (i) the net change in the amount of applicable funds on deposit at the Applicant during the Baseline Period with (ii) the net change in the amount of applicable funds on deposit at the Applicant during the Assessment Period, as described below:

(i) The Applicant shall calculate the net change in deposits during the Baseline Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Baseline Period and at the close of business on the last day of the Baseline Period; and

(ii) The Applicant shall calculate the net change in such deposits during the Assessment Period, by comparing the amount of applicable funds on deposit at the close of business the day before the beginning of the Assessment Period

and at the close of business on the last day of the Assessment Period;

(1) Is executed on a date within the applicable Baseline Period or Assessment Period, respectively; and

(2) Constitutes a legally binding agreement between the Applicant and a borrower or investee which specifies the final terms and conditions of the transaction, except that any contingencies included in the final agreement must be typical of such transaction and acceptable (both in the judgment of the Fund); and

(3) An initial cash disbursement of loan or investment proceeds has occurred in a manner that is consistent with customary business practices and is reasonable given the nature of the transaction (as determined by the Fund) unless it is normal business practice to make no initial disbursement at closing and the Applicant demonstrates that the borrower has access to the proceeds, subject to reasonable conditions as may be determined by the Fund.

(g) *Reporting Period.* An Applicant may only measure the amount of a Qualified Activity that it reasonably expects to disburse to an investee, borrower, or other recipient within one year of the end of the applicable Assessment Period, or such other period as may be set forth by the Fund in the applicable NOFA.

Applicable award percentages for activities undertaken by Applicants that are CDFIs will be equal to three times the award percentages for activities undertaken by Applicants that are not CDFIs.

(c) *Calculating the estimated award amount.* The estimated award amount for each category of Qualified Activities will be equal to the applicable award percentage of the increase in the weighted value of such Qualified Activities between the Baseline Period and Assessment Period. The weighted value of the applicable Qualified Activities shall be calculated by:

(1) subtracting the Baseline Period value of such Qualified Activity from the Assessment Period value of such Qualified Activity to yield a remainder; and

(2) multiplying the remainder by the applicable Priority Factor (as set forth in the applicable NOFA).

(d) *Estimated Award Eligibility Review.* The Fund will determine the eligibility of each transaction for which an Applicant has applied for a Bank Enterprise Award. Based upon this review, the Fund will calculate the actual award amount for which such Applicant is eligible.

§ 1806.203 Selection Process, actual award amounts.

(a) *Sufficient Funds Available to Cover Estimated Awards.* All Bank Enterprise Awards are subject to the availability of funds. If the amount of funds available during a funding round is sufficient to cover all estimated award amounts for which Applicants are eligible, in the Fund's determination, and an Applicant meets all of the program requirements specified in this part, then such Applicant shall receive an actual award amount that is calculated by the Fund in the manner specified in Section 1806.202.

(b) *Insufficient Funds Available to Cover Estimated Awards.* If the amount of funds available during a funding round is insufficient to cover all estimated award amounts for which Appli-

cants are eligible, in the Fund's determination, then the Fund will select Awardees and determine actual award amounts based on the process described in this section.

(c) *Priority of Awards.* The Fund will rank Applicants in each category of Qualified Activity according to the priorities described in this paragraph (c). All Applicants in the first priority category will be selected for Bank Enterprise Awards before Applicants in the second priority category. All Applicants in the first and second priority categories will be selected for Bank Enterprise Awards before Applicants in the third priority category. Selections within each priority category will be based on the Applicants' relative rankings within each such category, subject to the availability of funds.

(1) *First priority.* If the amount of funds available during a funding round is insufficient for all estimated award amounts, first priority will be given to Applicants that propose to engage in CDFI Related Activities, ranked in the order set forth in the applicable NOFA.

(2) *Second priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will be given to Applicants that propose to engage in Distressed Community Financing Activities, ranked in the order set forth in the applicable NOFA.

(3) *Third Priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities and all Distressed Community Financing Activities, but insufficient for all remaining estimated award amounts, third priority will be given to Applicants that propose to engage in Service Activities, ranked in the order set forth in the applicable NOFA.

(d) *Calculating actual award amounts.* The Fund will determine actual award amounts based upon the availability of funds, increases in Qualified Activities from the Baseline to the Assessment Period, and an Applicant's priority ranking. If an Applicant receives an award for more than one priority category described in this section, the Fund will combine the award amounts into a single Bank Enterprise Award.

Subpart C—Terms and Conditions of Assistance

§ 1806.300 Award Agreement; sanctions.

(a) *General.* After the Fund selects an Awardee, the Fund and the Awardee will enter into an Award Agreement. The Award Agreement shall provide that an Awardee shall:

(1) Carry out its Qualified Activities in accordance with applicable law, the approved application, and all other applicable requirements;

(2) Comply with such other terms and conditions (including recordkeeping and reporting requirements) that the Fund may establish; and

(3) Not receive any monies until the Fund has determined that the Awardee has fulfilled all applicable requirements.

(b) *Sanctions.* In the event of any fraud, misrepresentation, or non-compliance with the terms of the Award Agreement by the Awardee, the Fund may terminate, reduce, or recapture the award, bar the Awardee and/or its Affiliates from applying for an award from the Fund for a period to be decided by the Fund in its sole discretion, and pursue any other available legal remedies.

(c) *Compliance with Other CDFI Fund Awards.* In the event that an Awardee or its Subsidiary or Affiliate is not in compliance, as determined by the Fund, with the terms and conditions of any other award under the Bank Enterprise Award Program or any component of the Community Development Financial Institutions Program, the Fund may, in its sole discretion, reject an application for or withhold disbursement (either initial or subsequent) on a Bank Enterprise Award.

(d) *Notice.* Prior to imposing any sanctions pursuant to this section or an Award Agreement, the Fund will provide the Awardee with written notice of the proposed sanction and an opportunity to comment. Nothing in this section, however, will provide an Awardee with the right to any formal or informal hearing or comparable proceeding not otherwise required by law.

§ 1806.302 Compliance with government requirements.

In carrying out its responsibilities pursuant to an Award Agreement, the Awardee shall comply with all applicable Federal, State, and local laws, regulations and ordinances, OMB Circulars, and Executive Orders.

§ 1806.303 Fraud, waste and abuse.

Any person who becomes aware of the existence or apparent existence of fraud, waste, or abuse of assistance provided under this part should report such incidences to the Office of Inspector General of the U.S. Department of the Treasury.

§ 1806.304 Books of account, records and government access.

An Awardee shall submit such financial and activity reports, records, statements, and documents at such times, in such forms, and accompanied by such supporting data, as required by the Fund and the U.S. Department of the Treasury to ensure compliance with the requirements of this part. The United States Government, including the U.S. Department of the Treasury, the Comptroller General, and its duly authorized representatives, shall have full and free access to the Awardee's offices and facilities, and all books, documents, records, and financial statements relevant to the award of the Federal funds and may copy such documents as they deem appropriate.

The Director of the Fund is the designated Fund official responsible for implementation and operation of the Fund's policies and procedures on environmental quality and control.

§ 1815.104 Specific responsibilities of the designated Fund official.

The designated Fund official shall:

(a) Coordinate the formulation and revision of Fund policies and procedures on matters pertaining to environmental quality and control;

(b) Establish and maintain working relationships with relevant government agencies (including Federal, state and local) concerned with environmental matters;

(c) Develop procedures within the Fund's planning and decisionmaking processes to ensure that environmental factors are properly considered in all proposals and decisions in accordance with this part;

available, and, with the assistance of the Department of the Treasury's Office of the General Counsel, of relevant legal developments;

(g) Monitor the consideration and documentation of the environmental aspects of Fund planning and decision-making processes by appropriate officers and employees of the Fund;

(h) Ensure that all environmental assessments and, where required, all EISs are prepared in accordance with the appropriate regulations adopted by the Council on Environmental Quality and the Fund;

(i) Ensure that, as required, a legislative EIS is submitted with all proposed legislation;

(j) Consolidate and transmit to appropriate parties the Fund's comments on EISs and other environmental reports prepared by other agencies;

(k) Acquire information and prepare appropriate reports on environmental matters required of the Fund; and

(l) Coordinate the Fund's efforts to make available to other parties information and advice on the Fund's policies for protecting and enhancing the quality of the environment.

§ 1815.105 Major decision points.

(a) The possible environmental effects of an Application, including any Comprehensive Business Plan, must be considered along with technical, economic, and other factors throughout the decisionmaking process. For most Fund actions there are two distinct stages in the decisionmaking process:

(1) Preliminary approval stage, at which point applications are selected for funding; and

(2) Final approval and funding stage.

(b) Environmental review shall be integrated into the decisionmaking process of the Fund as follows:

(1) During the preliminary approval stage, the designated Fund official shall determine whether the Application proposes actions which are categorically excluded, or normally require an environmental assessment or an EIS;

(2) If the designated Fund official determines that the Application proposes actions which normally require an environmental assessment or an EIS, the applicant shall be informed that the

final approval and funding, in addition to any other conditions, is contingent upon:

(i) The applicant supplying to the Fund all information necessary for the Fund to perform or have performed any environmental review required by this part;

(ii) The applicant not using any Fund financial assistance to perform any of such proposed actions in the Application that affect the physical environment until Fund approval is received; and

(iii) The outcome of the environmental review required by this part;

(3) The Fund will perform or have performed the environmental reviews required by this part;

(4) A preliminary approval of an Application may be withdrawn or further conditions may be imposed based upon the outcome of an environmental review required by this part; and

(5) If the designated Fund official determines that the Application proposes actions that require an environmental assessment or an EIS, the environmental assessment and/or EIS must be completed and circulated prior to the use of Federal funds for any activity that triggers the need for an environmental assessment and/or EIS.

§ 1815.106 Supplemental environmental review.

(a) The designated Fund official shall determine whether the proposed actions in the Application are sufficiently definite to perform a meaningful environmental review during the preliminary approval stage.

(b) If the designated Fund official determines that the Application is sufficiently definite to perform a meaningful environmental review during the preliminary approval stage, no conditions for supplemental environmental review shall be imposed.

(c) If the designated Fund official determines that the Application, or any part of the Application, is not sufficiently definite to complete a meaningful environmental review during the preliminary approval stage, the Fund shall require a supplemental environmental review prior to the taking of any action directly using Fund financial assistance that is not categorically

§ 1815.107

excluded from environmental review or for which an environmental assessment or EIS has not been approved by the Fund. The applicant shall notify the designated Fund official when proposing any action requiring a supplemental environmental review and shall supply to the Fund all information necessary for the Fund to perform the supplemental environmental review. The Fund shall perform or have performed such a supplemental environmental review. The applicant shall not use any Fund financial assistance to perform any of the proposed actions requiring a supplemental environmental review that affect the physical environment until Fund approval for such action is received.

§ 1815.107 Determination of review requirement.

In deciding whether to prepare an EIS, the designated Fund official shall determine whether the proposal is one that normally:

- (a) Requires an EIS;
- (b) Requires an environmental assessment, but not necessarily an EIS; or
- (c) Does not require either an EIS or an environmental assessment (categorical exclusion).

§ 1815.108 Actions that normally require an EIS.

(a) If necessary, the Fund shall perform or have performed an environmental assessment to determine if an Application, or any portion of an Application, requires an EIS. However, it may be readily apparent that a proposed action in an Application will have a significant impact on the environment; in such cases, an environmental assessment is not required and the Fund shall immediately begin to prepare, or have prepared, an EIS.

(b) An EIS normally is required where an Application proposes to directly use financial assistance from the Fund for any Project that would:

- (1) Remove, demolish, convert, or substantially rehabilitate 2,500 or more existing housing units, or would result in the construction or installation of 2,500 or more new housing units, or which would provide sites for 2,500 or more new housing units; or

12 CFR Ch. XVIII (1–1–09 Edition)

- (2) Remove, demolish, convert, or substantially rehabilitate 1,500,000 square feet or more of commercial space, or would result in the construction or installation of 1,500,000 square feet or more of new commercial space, or which would provide sites for 1,500,000 square feet or more of new commercial space.

§ 1815.109 Preparation of an EIS.

(a) If the Fund determines that an EIS should be prepared, it shall publish a notice of intent in the FEDERAL REGISTER in accordance with 40 CFR 1501.7 and 1508.22 of the CEQ regulations. After publishing the notice of intent, the Fund shall begin to prepare or have prepared the EIS. Procedures for preparing the EIS are set forth in 40 CFR part 1502 of the CEQ regulations.

(b) The Fund may supplement a draft or final EIS at any time. The Fund shall prepare or have prepared a supplement to either the draft or final EIS when:

- (1) Substantial changes are proposed to an action contained in the draft or final EIS that are relevant to environmental concerns or there are significant new circumstances or information relevant to environmental concerns and bearing on the proposed action or its impacts; or
- (2) Actions are proposed which relate or are similar to other action(s) taken or proposed and that together have a cumulatively significant impact on the environment.

§ 1815.110 Categorical exclusion.

The CEQ regulations provide for the categorical exclusion of actions that do not individually or cumulatively have a significant effect on the human environment (40 CFR 1508.4). Therefore, neither an environmental assessment nor an EIS is required for such actions. An action which falls into one of the categories below may still require the preparation of an EIS or environmental assessment if the designated Fund official determines it meets the criteria stated in § 1815.109 or involves extraordinary circumstances that may have a significant environmental effect. The Fund has determined the following categorical exclusions:

Community Development Financial Institutions Fund

§ 1815.112

(b) Actions directly related to and implementing proposals for which an environmental assessment or an environmental assessment and EIS have been prepared;

(f) Projects for the construction of 200 housing units or less when all the following conditions are met:

(1) The Project does not involve changes in existing land use from nonresidential to residential; and

(2) The Project does not involve the demolition of one or more buildings containing the primary use served by the project that, together, have more than 20 percent of the square footage of the Project;

(g) Projects for the acquisition, disposition, rehabilitation and/or modernization of 200,000 square feet or less of existing commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential;

(3) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(h) Projects for the construction of 100,000 square feet or less of commercial space when all the following conditions are met:

(1) The Project does not involve changes in existing land use from residential to nonresidential; and

(2) The Project does not involve the demolition of more than 10,000 square feet of commercial space containing the primary use served by the Project;

(n) Actions directly related to the provision of working capital, the acquisition of machinery and equipment or the purchase of inventory, raw materials or supplies.

§ 1815.111 Actions that require an environmental assessment.

If a Project or action is not one that normally requires an EIS and does not qualify for categorical exclusion, the Fund shall prepare, or have prepared, an environmental assessment.

§ 1815.112 Preparation of an environmental assessment.

(a) The Fund shall begin the preparation of an environmental assessment as early as possible after the designated

§ 1815.113

Fund official has determined that it is required. The Fund may prepare an environmental assessment at any time to assist planning and decisionmaking.

(b) An environmental assessment is a concise public document used to determine whether to prepare an EIS. An environmental assessment aids in complying with the NEPA when no EIS is necessary, and it facilitates the preparation of an EIS, if one is necessary. The environmental assessment shall contain brief discussions of the following topics:

(1) Purpose and need for the proposed action;

(2) Description of the proposed action;

(3) Alternatives considered, including the no action alternative;

(4) Environmental effects of the proposed action and alternative actions; and

(5) Listing of agencies, organizations or persons consulted.

(c) The most important or significant environmental consequences and effects on the areas listed below should be addressed in the environmental assessment. Only those areas which are specifically relevant to the particular proposal should be addressed. Those areas should be addressed in as much detail as is necessary to allow an analysis of the alternatives and the proposal. The areas to be considered are the following:

(1) Natural/ecological features (such as floodplain, wetlands, coastal zones, wildlife refuges, and endangered species);

(2) Air quality;

(3) Sound levels;

(4) Water supply, wastewater treatment and water runoff;

(5) Energy requirements and conservation;

(6) Solid waste;

(7) Transportation;

(8) Community facilities and services;

(9) Social and economic;

(10) Historic and aesthetic; and

(11) Other relevant factors.

(d) If the Fund completes an environmental assessment and determines that an EIS is not required, then the Fund shall prepare a finding of no significant impact. The finding of no sig-

nificant impact shall be made available to the public by the Fund as specified in 40 CFR 1506.6 of the CEQ regulations.

§ 1815.113 Public involvement.

All information collected by the Fund pursuant to this part shall be available to the public consistent with the CEQ regulations. Interested persons may obtain information concerning any pending EIS or any other element of the environmental review process of the Fund by contacting the Community Development Financial Institutions Fund, Department of the Treasury, 1500 Pennsylvania Avenue NW., room 5116, Washington, DC 20220, or such other contact entity designated by the Fund.

§ 1815.114 Fund decisionmaking procedures.

To ensure that at major decisionmaking points all relevant environmental concerns are considered by the Decisionmaker, the following procedures are established:

(a) An environmental document, i.e., the EIS, environmental assessment, finding of no significant impact, or notice of intent, in addition to being prepared at the earliest point in the decisionmaking process, shall accompany the relevant proposal or action through the Fund's decisionmaking process to ensure adequate consideration of environmental factors;

(b) The Decisionmaker shall consider in its decisionmaking process only those alternatives discussed in the relevant environmental documents. Also, where an EIS has been prepared, the decisionmaker shall consider all comments received during any comment process and all alternatives described in the EIS. A written record of the consideration of alternatives during the decisionmaking process shall be maintained; and

(c) Any environmental document prepared for a proposal or action shall be made part of the record of any formal rulemaking by the Fund.
